What is Law Day about?

*****BRING ALL LEGAL ISSUES*****

People need legal advice, but lawyers aren't cheap. If you can't afford an attorney you may not be able to obtain the legal advice you need. Law Day provides FREE LEGAL ADVICE! Community Legal Services and the Yavapai County Bar Association sponsor "Law Day." Attorneys who specialize in different areas of the law come together in one place to help answer any questions you may have. This is a service to the entire Yavapai County community. While the event is aimed at lower-income individuals, anyone can come! Please come and take advantage of the services offered FREE OF CHARGE!
