Roni has been with Community Legal Services for 25 years, making it her life goal to give back to the community and help others.

Her new role as Volunteer Lawyers Program (VLP), Director began on March 20, 2023. After serving as the Coordinator, staff attorney & only staff member of the Children's Law Center (CLC), a program within the VLP, since the CLC was established in 1998, Roni thought it was time to take on a new role as Director of the VLP. The Volunteer Lawyers Program is a division of CLS in partnership with the Maricopa County Bar Association.

Roni graduated from Hofstra School of Law in New York and has been licensed to practice law in Arizona since 1996. Still missing NY food, she does not miss the winters.

In her personal time, she loves to paint and hike. Her true loves are her wonderful, adorable, sweet pups who are a handful.
